

Summary

Backend-focused full Stack Developer with experience building production-grade authentication systems (JWT, OAuth2, RBAC, 2FA) and AI-powered applications. Developed real-time YOLOv8-based detection systems and scalable REST APIs using Node.js, Express, and MongoDB.

Technical Skills

Languages: C++, Python, JavaScript

Frontend: HTML, CSS, React, Tailwind CSS

Backend: Node.js, Express.js, REST APIs

Database: MongoDB, MongoDB Atlas

Tools: Git, GitHub, Postman, VS Code

Projects

Enterprise Authentication & Authorization API

GitHub

- Built production-ready authentication using JWT access/refresh tokens with secure login, logout, and token rotation.
- Implemented 2FA, rate limiting, account lockout, password reset, and email verification.
- Designed RBAC with fine-grained permission-based authorization.
- Implemented OAuth2 Authorization Code Flow using RS256 JWTs, JWKS endpoint, and SSO client management.

YOLOv8 Face-Embedding Missing Person Detection System

GitHub

- Developed real-time multi-camera detection using YOLOv8 and deep face embeddings.
- Achieved **95.3% recognition accuracy** with **0.78s alert latency**.
- Built secure dashboard with JWT authentication, RBAC, and real-time alerts via Socket.IO.

Monastery Preservation & Showcase Platform

GitHub

- Developed a digital heritage platform for Sikkim monasteries with interactive maps, image galleries, and historical information.
 - Integrated Gemini API chatbot and an offline AI assistant to handle user queries related to monastery history.
 - Built a full-stack architecture using React frontend and Node.js backend for fast, secure, and scalable data handling.
-

Research & Patent Work

- **Research Paper & Patent Contribution:** *YOLOv8-FaceEmbedding: Real-Time Missing Person Detection and Recognition*
-

Hackathons & Achievements

- **TechSprint2K25 Hackathon Winner** — Built a MERN-based Sikkim tourism platform with interactive maps, digital monastery preservation, and Gemini-powered chatbot.
 - **Youth Icon Award 2.0** (Research Contribution) and **Student Star Award** (Patent Contribution).
